PRESENTS:

Where There's a Will, There's a Way

(When you die, what happen to everything you own?)

- What does it take to make your will?
- Why are wills so important?
- What is estate planning?
- What are the benefits of estate planning?
- Will a trust help you?

This workshop will give a basic explanation of **wills** and **basic estate planning**.
Presented by Maung Win, volunteer for FISC, graduate of the College for Financial Planning.

How to \$ave More For Tomorrow

While everyone wants a comfortable retirement, Social Security is not enough and benefits may be reduced in the future. We will demonstrate simple ways people can start to save more and have a comfortable retirement tomorrow.

- What will Social Security provide?
- How much money do we really need to save?
- How you can save more for your future!
- Is Cost of living really important?

Presented by Alan Prael, Education Manager for FISC.
